- All notes and design suggestions will be retained by the Nursery. They are available for review with us.

II. Home Visit: \$75.00 Fee, can be applied toward work, 45 minutes

- Let's visit your home. We can get more detailed information and provide helpful planting suggestions.

- Or, a "walk-around" question and answer session.
- We are happy to provide you with a planting estimate. Should you require more detail with drawings, then we advance to the option III.
